

2021 Red Mountain Sauvignon Blanc

Our 2021 Red Mountain Sauvignon Blanc is brand new release adding a 4th white to the Fidélitas lineup. The vineyard sourcing blends a newer, but well known, extremely warm growing site in Quintessence with the more established and slightly cooler Artz vineyard planted in the early 1980's. The result is an extremely well balanced and complex single varietal bottling. On the aroma we get grapefruit, lemon, and wet rocks. The palate is full yet crisp and refreshing — passionfruit, guava, and white peach.
