

TASTING NOTES

The Fidelitas Estate Vineyard Cabernet Sauvignon premiers in the 2012 vintage, sourced entirely from the vines adjacent to our Red Mountain tasting room, using two of the three clones planted (2 and 6). The nose displays dense black cherry, baked blackberry, cassis, violets, dried tobacco, and plum. On the palate we find soft, structured tannins, with tons of red and black fruit aromas and a delicate toasted finish. Dark and expressive, this 2012 vintage Cabernet is an essential piece of Charlie Hoppes' winemaking portfolio. Drink now through 2024.

VARIETAL COMPOSITION

100% Cabernet Sauvignon: 75% Clone 2, 25% Clone 6
