

2015 FIDÉLITAS ESTATE VINEYARD CABERNET SAUVIGNON

Fidelitas Estate Vineyard Cabernet Sauvignon sources the specific Cabernet clones 2 and 6, producing what can be called Fidelitas' flagship Cabernet Sauvignon. An expressive nose shows layered aromas of blueberry, blackberry, violets, figs, dried herbs, and white pepper. The dense velvety smooth intake leads to a seamless palate of black fruits, dried tobacco, and coffee, with threads of cassis that run throughout. Tannins are fine and elegant with tons of structure, providing for a lengthy finish. Drink now through 2027.
