

2015 QUINTESSENCE VINEYARD CABERNET SAUVIGNON

Made with clones of Cabernet Sauvignon that are found in the Bordeaux region of France, the Quintessence Vineyard Cabernet Sauvignon gives us more of an Old World component than other Red Mountain wines. We find aromas of strawberries and blackberries, complimented by green olive and dark chocolate tones. The palate is well integrated with additional fruit notes of plum and dried berries, refined tannins, and a loooong finish. Drink now through 2027.

BLEND

100% Cabernet Sauvignon
