

# 2020 Red Mountain Optu White

Our 2020 Optu White is a traditional *Bordeaux Blanc* Sauvignon Blanc dominant blend sourced from some historic Red Mountain vineyard partners. Planted at the bottom of the appellation, the cooling effects of the Yakima river are greater helping to preserve acidity and freshness in white varietals. In the glass the wine is a golden straw color. On the aroma we get fresh cut strawberries, lemon, grapefruit, and honeysuckle. The palate brings mouthwatering acidity, mango, honeydew, and white peach. This wine is rich enough to stand up to all sorts of heartier cuisines, and fresh and bright enough to pair with every type of sea food in the book.
