

# 2015 RED MOUNTAIN CABERNET SAUVIGNON

Red Mountain Cabernet Sauvignon is a Clone 8 dominant, multi-vineyard wine, designed to highlight some classic Red Mountain characteristics. We find pure, yet elegant, aromas of raspberry and cherry, with baking spice and pepper. The soft intake yields to a round, soft, and chewy palate filled with blackberry, briar, vanilla, and brioche. Well integrated acidity and velvety tannins create a wine ready for the cellar or immediate enjoyment. Drink now through 2025.
