faithful, loyal, true

Fidelitas is a family-owned winery *faithful* to Bordeaux grape varieties, *loyal* to classic winemaking techniques and *true* to Washington state's Columbia Valley terroir. Working in partnership with the best growers in the state—many of whom we've known for almost 20 years—Fidelitas wines are handcrafted for exceptional character, varietal expression and structure.

WINES

Fidelitas wines are handcrafted in limited quantities relying on traditional winemaking techniques. Working with a diverse selection of vineyards, each wine is carefully fermented and aged in small lots to provide maximum flexibility at the blending table with the goal of creating a harmonious, seamless wine of exceptional character.
