

# 2017 RED MOUNTAIN OPTU WHITE WINE

This Bordeaux-style white blend captures the best of both varietals: Sauvignon Blanc and Semillon. It starts with aromas of white grapefruit and lemon, followed by layers of delicate white nectarine and tropical tones. The palate shows bright citrus notes that are enhanced with an edge of minerality, creating a balance of acidity and a creamy midpalate. The Optu White Wine is rich, rounded, and textured, making it a great wine for pairing with food.
