

TASTING NOTES

Red Heaven, sitting high on the slopes of the Red Mountain AVA, brings incredible intensity and concentration to the wines produced from that vineyard. Ripe, red cherry, black currant and cranberry all leap from the glass, accompanied by a bit of herbs and spice. The palate confirms these flavors along with jammy strawberry, a touch of mint, cola and nutmeg. Defined tannins and balanced acids make this a wine worthy of time in the cellar. Enjoy now through 2022.
