

TASTING NOTES

Quintessence Vineyard, which makes up the northeastern border of the Red Mountain AVA, was planted less than a decade ago, yet is already impressing many with its intense fruit quality. This varietal Cabernet Sauvignon (clones 169 and 191) gives us aromas of bright red fruits, raspberry and blackberry, cedar box, and a nudge of brown sugar. The palate adds a bit of dark cherry, spice, and toasted oak, set in chewy tannins and mouthwatering acids for a deep and rich finish. Drink now through 2024.

VARIETAL COMPOSITION

100% Cabernet Sauvignon: 70% Block 9 Clone 191, 30% Block 7 Clone 169
