

2018 Red Mountain Petit Verdot

Petit Verdot, typically used as a blending component, is highlighted in this *blend of vineyards*, 100% varietal bottling. Our Red Mountain PV still offers the weight and power of a typical Petit Verdot, but done in a fruit-forward style with polished tannins. On the aroma we get tons of fruit jumping out of the glass - berry tart, baking spices, and sage. This wine has a rich, chewy tannin structure making us think of all sorts of different Summer barbeque dishes for pairing. The palate is full of black cherry, plums, and vanilla. We recommend enjoying this wine in its youth, with a brief decanting, or over the next decade.
