

2019 Ciel du Cheval Red Wine

This classic right-bank Bordeaux style blend showcases all the different varietals we source from the world class Ciel du Cheval Vineyard. We go with a Merlot dominant blend here since the Merlot from that vineyard is so strong and it pushes the wine towards a more elegant style which is how the CDC wines tend to be when compared to the rest of our lineup. On the aroma we get dried tea leaves, vanilla bean, and black currant. The wine hits all different parts of the palate with loads of complexity—red plum, cherry, and dark chocolate. This wine can be definitely be paired with food but we'd rather drink on its own. Drink now through 2035.
