

2022 Red Mountain Sauvignon Blanc

Our 2022 Red Mountain Sauvignon Blanc an ideal example of a perfectly balanced Red Mountain white wine—rich and full on the midpalate, bright tropical fruit flavors balanced with crisp mouthwatering acidity. The vineyard sourcing blends a newer, but well known, extremely warm growing site in Quintessence with the more established and slightly cooler Artz and Klipsun vineyard plantings from the early 1980's. The result and complex and delicious expression of Sauvignon Blanc. On the aroma we get pineapple, lemon pith, and wet rocks. The palate is full yet crisp and refreshing — passionfruit, mango, and white peach.
