

2016 BLACKWOOD CANYON CABERNET SAUVIGNON

Blackwood Canyon Vineyard is an exciting vineyard site to work with. With vines planted in 1984, it represents old vine Cabernet on Red Mountain, giving us incredible concentration and depth. The vineyard is rich with history and great stories. Block 16, where we source this intense Cabernet, lays just adjacent to our own Fidelitas Estate Vineyard, giving us a glimpse of what could be three decades from now. The 2016 vintage marks Fidelitas' third vintage of producing a wine from Blackwood Canyon, and it continues as one of the most sought-after wines in our line-up. Enjoy now through 2030.
