

2016 THE CANYONS VINEYARD RED WINE

The Canyons Vineyard lays on the western border of the Red Mountain AVA and is comprised of a system of deep ravines that cut up the hill side from the Yakima River. The vines cling to the sides of these steep slopes, giving them excellent sun exposure and a bit of struggle for big flavor. We love the bright profile that comes from this site, that give us a balance of red fruit tones, earthiness, and tannic structure. Drink now through 2027.
