

2017 RED MOUNTAIN SEMILLON

Semillon, a prominent white grape in Bordeaux, is harder to find outside of France, and quite unique in Washington state. Sourced from the cooler Klipsun Vineyard, and aged in neutral French oak, the Semillon lends itself nicely to northwest seafood dishes. The nose gives us aromas of honeysuckle, pear, and subtle baking spice, while the palate is bright and refreshing, showcasing lemon zest, pink grapefruit, and papaya.
