

2024 Optu White

60% Sauv Blanc and 34% Semillon with aromas of lovely light lemon, gooseberry, a smooch of vanilla bean and white flower. The palate delivers Meyer lemon and tropical fruit over a medium-bodied frame that balances freshness with gentle oak seasoning. The finish is lovely and long, lingering with citrus energy and a faint creamy accent, and it may well be the best Optu White I've had so far.
