

2022 Quintessence Cabernet Sauvignon

Unfolds with a deep garnet hue and remarkable aromatic complexity. Notes of blackcurrant, plum skin, and roasted espresso mingle with cinnamon bark, cedary herbs, and a touch of dried sage. The palate is plush and concentrated, delivering layers of dark cherry, cassis, and cocoa nibs that expand gracefully across a velvety core. As it opens, subtle tones of graphite and dark chocolate emerge, extending through a long, polished finish.
